ABOUT US

NAVANTIA – Port Consignment and Maritime Agency at Nador

NAVANTIA is a company of the Yahya International Group, officially established by ministerial decision No. 177/1 dated June 26, 2018, issued by the Ministry of Equipment, Transport, and Logistics of the Kingdom of Morocco.

Our core mission is to provide ship consignment and maritime agency services at the port of Nador.

In strategic partnership with WEC Lines and MSC Maroc, NAVANTIA had the honor of inaugurating the very first regular container line operating to and from the port of Nador. This service, launched under the name MANDR, marked a milestone in the development of container shipping in the region.

The inaugural voyage took place in August 2018, with the arrival of the Wec Brueghel container vessel from Valencia, Spain—an event that officially placed Nador on the map of international container shipping routes.
